

**Manufacturer's Certification Statement
Pertaining to the
American Recovery and Reinvestment Act of 2009**

In accordance with the American Recovery and Reinvestment Act of 2009, published February 17, 2009, Minnkota Windows located at 4425 Main Ave, Fargo, ND represents that the following window and door products, are "Eligible Building Envelope Components" that qualify for the federal income tax credit allowed under Section 25C of the Internal Revenue Code:

As of June 1, 2009, all windows and doors must have a U-Factor and Solar Heat Gain Coefficient (SHGC) less than, or equal to, 0.30. You can find the U-Factor and SHGC on the National Fenestration Rating Council (NFRC) label. The following products listed below, meet this requirement.

-
- IRS Notice 2006-26 suggests that the taxpayer is not required to attach this certification statement to their tax return. However, the taxpayer should retain this certification statement as part of their tax records. Minnkota Windows assumes no liability for individual's tax filing accuracy. This certificate is provided as a convenience to the purchaser and is not a substitute for professional tax advice. Minnkota Windows recommends that purchasers consult with the IRS or their own tax advisors to determine whether or not they qualify for the Tax Credit.
 - This data is accurate as of April 1, 2010. Due to ongoing product changes, testing and certification(s) and changing industry standards and requirements, this data may change. Minnkota Windows may, but is under no obligation to, update this Statement when new information and interpretations from the IRS are obtained.
