Manufacturer Certification Statement

Minnkota Windows hereby certifies that the windows manufactured by our company meet the requirements for the energy efficient home improvement tax credits under Section 25C of the Internal Revenue Code as amended by the Inflation Reduction Act of 2022. This applies to windows purchased and installed between January 1, 2023 through December 31, 2032.

This Certification Statement provides verification that certain windows produced by Minnkota Windows meet the energy efficiency standards for windows, doors, and skylights that qualify for the tax credits.

To demonstrate eligibility and qualify for the tax credit, homeowners must provide the following documentation: receipts, a copy of this document, NFRC certification documentation, and comply with all applicable IRS requirements.

NFRC certification documentation include one of the following: a temporary NFRC label, a PDF of the temporary NFRC label, a reprinted sample label, or a Sales Order showing certified U-Factor and SHGC ratings of the product(s) for the zone the product is installed in to be claimed for credit.

As the original manufacturer of these windows, Minnkota Windows certifies that our products meet the technical requirements for the Section 25C tax credits for energy efficient windows installed during this period.

Minnkota Windows® expressly disclaims any responsibility or liability regarding the homeowner's ability to obtain tax credits. Always consult your tax advisor.

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct and complete.
