

PB #20130411
Euro Bay/Bow

PRODUCT BULLETIN

Euro Series Bay & Bow Windows

We have added the option to build Euro Series Bay and Bow windows. They will default to R-S-L configuration (as viewed from the exterior) so the handles are on the jamb side of the interior of the window. Euro Series Bay and Bow windows will have the option of an oak or maple head and seat board and will include cables for installation. As with all Minnkota Windows Bay and Bow windows, brickmould on the exterior is required with either 1 1/2" Standard with nail fin or 2" with sloped sill. Retro brickmould is not available on Bay/Bow windows. The Bay/Bow upcharge for Euro Series will be the same as it is for the Casement or Double Hung Bays/Bows.

List Price: \$1800 Oak Head/Seat
 \$2000 Maple Head/Seat

Select Euro Series and
Tilt/Turn/Picture then either
Tilt/Turn Bay or Tilt/Turn Bow
to build in configurator.
